

## Mx18 Series Mini-Split - Inverter

Efficiency and Comfort  
for life

# Mx18 Series Mini-Split - Inverter

## Product Features

- Inverter technology compressor
- High efficiency. Up to 18 SEER
- Wireless remote control
- Auto-restart function with automatic recovery
- Galvanized steel enclosure covered with UV high weatherproof paint
- Ecological Refrigerant R-410A

## Advanced Technology

- Better temperature control for increased comfort
- Quiet and efficient operation
- Turbo mode

## Competitive Advantages

- Low power consumption
- Ease of maintenance and programming
- Elegant and modern design
- Practical and compact structure

### CERTIFIED PRODUCT

Guarantees that the product was subject to tests that assure the equipment will perform accurately and consistently.

Guarantees that the product meets the applicable safety standards.

COOLING ONLY

MODEL	NOMINAL CAPACITY	ELECTRICAL FEATURES	DIMENSIONS	WEIGHT	ENERGY EFFICIENCY
MQIS-184009-CCU116A MQIS-184009-CWF116A	9000 Btu/h	115-1-60	790×275×200 mm 848×540×320 mm	9.5 kg 27.5 kg	18 SEER, 10 EER
